

## Intolerance Testing

Are you experiencing migraines, constipation or skin rashes? Do you suspect you might have an intolerance?

Intolerance testing uses a sample of your hair to determine your sensitivity to up to **800 food and 325 non-food items**, such as pets and pollens. Testing also includes a **nutrition, metal toxicity, gut biome and hormonal analysis!**

Food Intolerances

Nutritional Deficiencies

Gut Biome

Digestive Health

Non food Intolerances

Metals Toxicity

Hormone Imbalance

## About EasyDNA

EasyDNA is an international DNA testing company that specialises in providing reliable, accurate and confidential testing services to both the private and public sectors worldwide.

We offer high quality tests through our internationally accredited laboratory, backed by a team of highly experienced scientists. Our laboratory has performed over 250,000 DNA tests and has the experience to handle a wide range of cases.

At EasyDNA, we handle each enquiry with compassion and confidentiality.

**Choose EasyDNA for reliable results every time.**

## Why the self discovery test matters

Our understanding of how genetics influences our lives, including our health and wellbeing, has grown rapidly in recent years.

EasyDNA's all-in-one testing package gives you access to a wealth of genetic information covering areas such as your:

- ANCESTRY
- PERSONALITY TRAITS
- PHYSICAL PERFORMANCE
- RESPONSE TO DIFFERENT NUTRIENTS
- PREDISPOSITION TO DISEASES
- RESPONSE TO CERTAIN MEDICATIONS

This valuable information can then be used to help you make important decisions that further improve your health, lifestyle and wellbeing.

Start your health journey today with EasyDNA Self Discovery Testing!

DNA Diet and Healthy Weight Test	Yes	Yes

## Dna Diet and Healthy Weight Test

Believe it or not, genetics and your weight go hand in hand! If you have had trouble losing weight or keeping the weight off, there might be an underlying cause in your genetic makeup. Your lifestyle might be out of sync with your genes.

The DNA Diet and Health Weight Test can assist you in understanding why you can't keep off those extra kilos or reach your target weight.

Great value for people who are looking to live a healthier lifestyle, but having trouble seeing results.
